## **Relationships and Sexuality Education Policy.**

### **Introductory Statement ,**

The school has a responsibility to put in place an R.S.E. policy as part of the wider Social, Personal and Health Education strand of the curriculum

### **Rationale.**

The need for this policy arises from our school's obligation to provide for the needs of the student body and respond appropriately to sensitive and emotive issues relating to emerging sexuality.

### **Aims.**

- a) To enhance the personal development, well being and self-esteem of **each** child.
- b) To enable each child to gain an understanding of and respect for human love, reproduction and sexual activity in a sensitive and measured way.
- c) To enable the child develop healthy friendships and relationships.

### **Relationships to School Ethos.**

The school ethos affirms and supports close links between school and home. To this end parents are encouraged to play a meaningful role in the R.S.E. policy. Parents also have the right to withhold their children from participating in R.S.E classes.

### **School Provision.**

Teachers are present at all times if guest speakers are visiting a class.
