Message from the Principal

C.B.S. Primary has been delivering high quality education to the children of Ennis for a very long time. For nearly 200 years, in fact. The first Christian Brothers were sent here by Edmund Rice himself.

It's difficult to comprehend just how long ago that is. The Napoleonic wars had just finished a few years earlier. Cars had not been invented yet. Slavery still existed in the United States. In Ireland, Daniel O'Connell was arguing for Catholic Emancipation.

Ennis was a very different place back then. Even before the Great Famine several decades later, poverty and death were a common feature of the area, with potato crops failing 8 out of the 10 years during the 1820's. It was with this backdrop that the Brothers brought education to the poor and deprived. They believed in the right of every child to an education regardless of their background, a tradition of inclusion that proudly continues today.

Our high quality teachers continually strive to provide the students with a broad and balanced education. The parents are completely committed and supportive. The Board of Management is innovative and hard-working. We are blessed with our SNAs and ancillary staff.

However, the most special thing about this school is the students. They are a constant source of joy. They are talented, polite, intelligent, funny, diligent and well-behaved. They deserve every advantage in life that we as a school community can afford them.

School Motto

"Ar scáth a chéile a mhaireann na daoine," is an Irish saying that translates literally as "People live in each other's shadows." This means we are shielded from the sun by each other, we rely on each other for shelter. People need each other.

This is certainly a philosophy that permeates through our entire school community. In working together with all of our school partners, we reach our common goal of providing a holistic education for our pupils in a safe and happy environment.

"Ar Scáth a chéile a mhairimid"
We are shielded from the sun by each other

Mission/Vision Statement

Bunscoil Na mBráithre Críostaí is a Catholic school under the Trusteeship of E.R.S.T., and the patronage of the bishop of Killaloe. We wish it to be a place where the focus remains on developing the moral, spiritual, physical, academic, aesthetic and cultural aspects of each individual pupil. This, we envisage occurring in an atmosphere of mutual respect where all members of the school community feel happy and secure working in a spirit of encouragement and enthusiasm while recognising and celebrating diversity and pluralism.

The Staff

We envisage a professional, caring staff that is:

- Committed to supporting the pupils and all who are engaged in their learning and care
- Co-operative, approachable, diligent, tolerant and motivated
- Open to new innovative approaches and ideas
- Supported in its efforts to provide the best possible opportunities to the pupils
- Valued and respected

The Parents

We envisage parents who are:

- Supportive of the school
- Committed to and interested in their children's learning
- Ambitious for their children and expect high standards in terms of courtesy, respect, and achievement from all in the school community
- Taking their responsibilities seriously
- Consulted and communicated with and who feel that their opinions are valued
- Co-operative with the school and communicate their needs to the relevant persons

Board of Management

We envisage a board of management that is:

- Supportive and well informed of the work of the school
- Innovative, open and when necessary confidential
- Appreciative of the needs of all partners in education
- Aware of the resources required by staff in order to ensure effective teaching and learning

The Pupils

We envisage pupils who:

- Feel safe, accepted and happy in our school
- Feel understood and secure in the knowledge that they are recognised as wonderful individuals
- Are ambitious for themselves and their peers
- Are proud to be pupils of C.B.S. Primary, Ennis
- Have a sense of self and cultural identity

A Message From E.R.S.T.

Iontaobhas Scoileanna Éamainn Rís
Edmund Rice Schools Trust

The Edmund Rice Schools Trust [E.R.S.T.] is the trustee of 96 schools, both secondary and primary, in the Republic of Ireland.

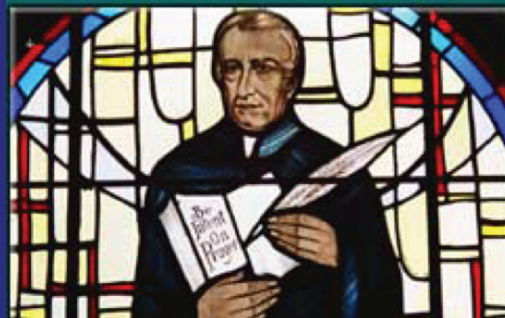

E.R.S.T. schools are Catholic schools which promote a Christian concept of the world with a spiritual and moral values system that contributes to the good of society as a whole.

Being true to the founding intention of Blessed Edmund and to our Charter we are committed to the formation of young people of faith, grounded in the concept of social and ecological justice and equipped with the leadership skills to make a difference in today's and tomorrow's world.

Our role is to support our schools and their students, teachers, principals and voluntary boards of management, members, directors and staff in line with the values of the Edmund Rice Schools Trust Charter.

C.B.S. Primary, Ennis places great importance on maintaining an Edmund Rice ethos. The Edmund Rice ethos permeates through the school day.

Blessed Edmund Rice Prayer

O God we thank you for the life of Blessed Edmund Rice.
He opened his heart to Christ present in those oppressed by poverty and injustice.
May we follow his example of faith and generosity.
Grant us the courage and compassion of Blessed Edmund as we seek to live lives of love and service.
We ask this through Christ our Lord. Amen.

The Five Key Elements of the Edmund Rice Schools Trust

- Nurturing faith, Christian spirituality and Gospel-based values
- Promoting partnership
- Excelling in teaching and learning
- Creating a caring school community
- Inspiring transformational leadership

Board of Management

The Board of Management of C.B.S. Primary, Ennis, has overall responsibility for the running of the school. The principal is responsible for the day to day management of the school.

The Board of Management operates on a totally voluntary basis.

The names of the Board of Management members are available at the school office.

Parents' Association

In C.B.S. Primary, Ennis, we are blessed with a very active, capable and supportive Parents' Association. The main aim of our Parents' Association is to continue to foster a spirit of partnership so that pupils, staff and parents can enjoy being part of the vibrant, inclusive and happy community that is C.B.S. Primary. All parents and guardians of our pupils are encouraged to become active members of our Parent's Association. The association is a self-financed voluntary organisation which works in conjunction with the school in the areas of Education, Social Affairs, Fundraising and Public Relations. Working together with our parents helps us to achieve more.

The following are some of the many activities undertaken by our fantastic P.A.:

- Educational Talks – with guest speakers on issues of interest to parents
- Pupil Accident Insurance Scheme
- Parents' Association Calendar
- Assistance to the school when requested for First Holy Communion breakfast, Grandparents' Day, Graduation Ceremony among other events
- Fundraising Endeavours – quiz nights, cake sales, bingo, bag packing and discos to mention but a few.

School Information

1.25 p.m.	Finish [Junior & Senior Infants]
2.25 p.m.	Finish [All other pupils]

C.B.S. Primary, Ennis, will not accept any responsibility or liability for any pupil arriving on the school grounds prior to 8.20 a.m. at which time supervision begins on the yard.

The School cannot be responsible for any Junior/Senior Infant pupil not collected at 1.30 p.m.

The school authority will not accept responsibility or liability for any unsupervised pupil remaining on the school grounds after 2:40 p.m.

Pupils are not permitted to remain in the school building after normal hours, unless they are under the specific supervision of a member of the school teaching staff or other authorised persons.

Uniform

Wearing of our School Uniform is compulsory

GIRLS

- Navy pinafore / navy pants
- School Tie
- Grey Shirt
- Grey cardigan with school crest
- School tracksuit with white polo shirt
- Flat Shoes

Optional Fine Weather Uniform

- Plain navy or grey shorts
- White polo shirt

BOYS

- Long grey pants
- School Tie
- Grey Shirt
- Navy V-neck jumper with school crest
- School tracksuit with white polo shirt
- Flat Shoes

Optional Fine Weather Uniform

- Plain navy or grey shorts
- White polo shirt

Uniforms/school tracksuits are available from Neylon’s, Market Square, Ennis.

Pupils may wear either school uniform or school tracksuit each day except on P.E. day when tracksuits must be worn.

The optional fine weather uniform is usually worn after Easter and up to Halloween.

We ask parents to ensure that all items of clothing are labelled with your child’s name so that lost items can be returned to their rightful owners.

Body piercing is not permitted apart from one pair of stud earrings in the earlobes [for health & safety reasons].

Hair should be neat and tidy.

Homework

- As per school practice, homework is prescribed Monday to Thursday with occasional exceptions
- Weekends are usually homework free
- All pupils are expected to do homework. (Phased in gradually with junior infants)
- The class teacher, keeping in mind the ages and abilities of the pupils, determines the amount of homework prescribed to each child
- Reading, spelling and tables should be checked each evening by a parent/guardian
- Never complete homework for your child
- Parents/Guardians will be notified in cases where homework is being neglected or incomplete
- If you find that your child is having continuous difficulty and becoming upset because of homework, please reach out to their teacher
- Parents/Guardians are asked to sign the homework diary for 1st to 6th classes each evening to ensure that the homework given is fully and neatly completed
- If your child is unable to complete homework assigned for any reason, please inform their class teacher who will be very helpful & understanding

Our Special Education Team

In C.B.S. Primary, Ennis, we are extremely fortunate to have a very dedicated, talented and professional Special Education Team.

Children are assessed regularly from 1st class onwards to establish their educational needs. Standardised assessments are carried out in Maths and English by their class teachers. Support will be provided for pupils who are most in need. Should your child require any special assistance, be it short term or long, a member of staff will contact you and invite you to the school to discuss your child's individual needs.

The school also has the services of an educational psychologist, who works closely with us in assessing children who might be experiencing difficulties in learning.

Further information on the provision of special education is published on the school website under "School Policies".

Autism Class

As part of our inclusive approach to education, we have an ASD class in the new academic year. It has a capacity for 6 children with Autistic Spectrum Disorder, who have a report recommending placement in an ASD class in a mainstream school. The class has been set up to provide those children with opportunities to integrate into mainstream at a pace that is optimal for their learning.

School Policies

C.B.S. Primary, Ennis, has published a number of school policies that can be viewed on the school website [www.cbsennis.com]

Out Of Hours Activities

At C.B.S. Primary, we partner with many clubs and organisations within our community to help provide a variety of opportunities for our pupils.

We have arrangements with many clubs in the locality who utilise our state of the art facilities here at C.B.S. Primary, Ennis.

Some of these clubs include Coder Dojo, Brownies, Speech & Drama classes, Chess Club, Irish dancing and many more.

Home/School Communication

In C.B.S. Primary, Ennis, communication between parents and the school is facilitated in the following ways:

- Individual consultation by appointment with the class teacher
- Parent/teacher meetings held annually – in person or via telephone
- Written report cards
- Our school website – www.cbsennis.com
- Data display information board located in the main school foyer
- Aladdin Connect – Parents have the facility to connect with the school via our online home/school communication system. You will receive a connect code from the school which will allow you to log into the system via the Aladdin Schools App. [From the app you will be able to access your child's report cards, manage their absence reasons, receive notifications from your child's class teacher and from the school principal, make payments, respond to some notifications and much more.]

State of The Art Facilities

In September 2019, we were privileged to step foot into our new 4,530m² school building comprising of 24 classrooms, including a 2 classroom special needs unit and ancillary accommodation.

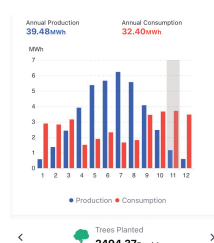

Our fantastic facilities include a 50m x 20m astroturf pitch, a full-length basketball court, a school hall, cooking facilities, an amphitheatre for outdoor learning, Promethean Activpanels in each room. All of our pupils from 4th to 6th class also have their own laptop.

Solar Panels

C.B.S. Primary, Ennis, is Ireland's first fully solar-powered school. In line with the E.R.S.T. charter, we want to provide ethical and environmentally conscious education. It is school policy to strive for carbon neutrality and solar power is just one step along that path.

A 50kw system, along with 50kw hours of battery storage, is installed. With a full set of data for 2023, we were able to confirm a production surplus. Every year, our school produces more electricity than it needs, with the excess being sent to the grid to power other local businesses and homes.

The Curriculum

The school curriculum is designed with the holistic development of our pupils in mind. It is bound by the requirements of the Department of Education & Science for Primary Schools.

In C.B.S. Primary, Ennis, our weekly timetable includes the following subjects:

Irish, English, Mathematics, Social, Environmental and Scientific Education [Geography, History, Science], Social, Personal and Health Education, Religious Education, Arts Education [Visual arts, Music, Drama] and Physical Education. We have a keen interest in Digital Literacy and STEAM based initiatives in our school also.

School Initiatives/Extra Curricular Activities

Aistear

The Early Childhood Curriculum Framework celebrates early childhood as a time of being, and of enjoying and learning from experiences as they unfold. [NCCA]

Aistear, meaning journey, is one of the many teaching and learning tools we use in C.B.S. Primary to explore and implement the primary school curriculum.

Aistear is an opportunity for your child to explore different types of play under different themes.

Building Bridges of Understanding

Building Bridges is a whole-school approach to the teaching of reading in C.B.S. Primary. From when your child starts with us in Junior Infants, they will begin to explore different strategies of comprehension. The aim of this is to enable your child to become a self-regulated, strategic reader.

Literacy Lift-Off

Literacy Lift-Off is a team approach, incorporating the use of stations to teach different areas of literacy. These include a writing station, a word work station, a new book station and a familiar reader station.

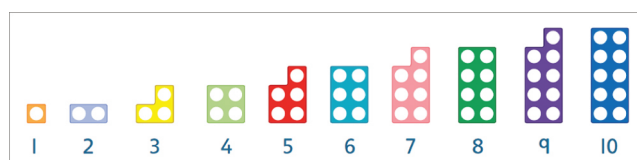

Activities at these stations may include:

- Re-reading familiar books to build fluency and confidence
- Being introduced to and attempting to read a new book
- Composing and recording their own messages
- Reconstructing the story which has been cut-up
- Exploring how letters/words work using magnetic letters and whiteboards
- Children take part in Literacy Lift-Off for one term per year in Senior Infants and 1st Class

Numicon

Numicon is an approach to teaching maths that helps your child to see connections between numbers. Later on, Numicon is also sometimes used as an intervention programme to help children struggling with maths.

Active School Flag

The Active School Flag is a Department of Education and Skills Initiative supported by Healthy Ireland which aims to get more schools more active, more often. It is awarded to schools that strive to achieve a physically educated and physically active school community.

We have an Active School Committee made up of representatives from each class from 2nd to 6th who promote and organise fun activities for the whole school. Each year, the committee organises an Active School Week, the aim of the week is to promote physical activity and PE in both the school and wider community. During the week, children get taster classes in a variety of areas including Hip-Hop Dance, Golf, Tennis and Yoga. Every day after small break, there is an activity burst where music is played in the yard and the whole school dance and perform exercises to the music. Each year, the whole school takes part in 'Walk a Mile with a Smile', where we walk a looped mile around the town of Ennis. The school's Junior and Senior Sports Days also take place during Active School Week and these always prove to be a huge success.

School Band

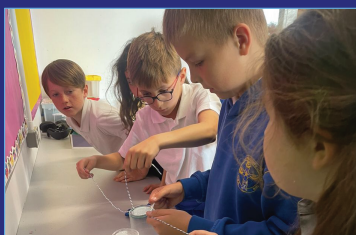

C.B.S. Primary has a school band which is directed under the genre of traditional Irish music, but caters for all melody instruments. The band partakes in many public performances, including the annual school concerts, Féile na hÍnise, Christmas events and the annual Christmas appeal in the Square in Ennis. The band has members from 3rd to 6th class and the children rehearse weekly. It is a great chance for children to experience a wider-based curriculum.

STEAM Projects

5th and 6th classes regularly partake in STEAM activities and in-class competitions. The children learn to engage in Scientific, Technological, Engineering, Arts and Mathematical activities.

Intel Mini Scientist

C.B.S. Primary students compete in the Intel Mini-Scientist Competition each year. The Mini-Scientist Competition challenges children all over the world to express their creativity and participate in an amazing programme. The Mini-Scientist programme is for 4th to 6th class students and has many schools taking part each year. The competition aims to foster a love of science and creativity. This project is one of the many hands-on activities that C.B.S. Primary offers and is a wonderful experience for your child.

Badminton Club

An afterschool badminton club is available to students in 5th and 6th class who wish to improve their skills at the game.

It attracts a lot of pupils who enjoy the leisure aspect, as well as those who are more competitive.

We train once a week after school with teachers who have completed the Shuffle Time training courses leading the session. During training, students get an opportunity to improve their fitness levels as well as acquiring and enhancing their skills of the game.

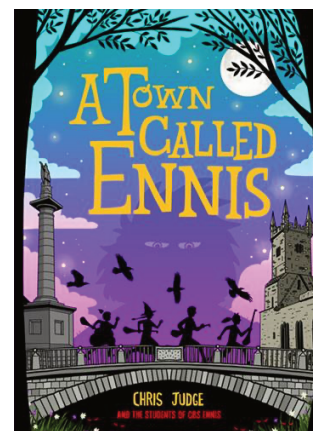

Throughout the year the school badminton team has an in-house blitz and competes with other schools in Co. Clare in badminton tournaments.

Our School Book

A Town Called Ennis

Every once in a while, we get the chance to be part of something magical, something unique and something we can be proud to be involved in.

When you build a new school, the government give money for an art project. This can be anything from a painting, to a sculpture to a piece of music. We decided to write & illustrate a book. This had never been done before so it was extra exciting. On top of this, the illustrations from the book were used as art around the school.

After a lengthy process, we decided to go with the renowned children's author and illustrator Chris Judge. Chris has won many awards for his work. His books include The Lonely Beast series, The Great Explorer and TiN. He has worked with lots of famous people like Roddy Doyle, David O'Doherty and Ryan Tubridy.

The project was due to kick off during our annual literacy week in March 2020. Not ones to be put off by a global pandemic, we managed to start it anyway during the lockdown via emails, videos & social media.

Chris made his workshops into short videos & set us tasks. We had to fill out worksheets with information on the town of Ennis, give examples of life as a student in the C.B.S., write about famous landmarks in Clare and much more. He also gave a drawing workshop and so many children from 3rd class up sent him in drawing ideas for potential characters.

We think it is so incredible that through all the uncertainty and strangeness during the pandemic, we used the time to help write & illustrate a book.

School Rules and Code of Behaviour

The Board of Management of C.B.S. Primary, Ennis, has prepared a Code of Behaviour and Anti-Bullying Policy for its pupils, staff and parents.

On enrolment of your child, parents/guardians agree to abide by the Code of Behaviour and Anti-Bullying Policies of C.B.S. Primary and support the principal and staff of the school in implementing these policies.

Please visit www.cbsennis.com and read through our Code of Behaviour and Anti-Bullying Policies.

Green Schools Programme

Here at C.B.S. Primary, Ennis, we are delighted to be involved in the Green Schools programme. We are currently working on the theme of 'Biodiversity'; a term which refers to the huge variety of life that is all around us. Our overall aim is to increase awareness of the importance of biodiversity, and for students and staff to come up with ways to help biodiversity in our area. Our Green Schools committee play a vital role in achieving this goal. Each class from 3rd to 6th has a representative on the committee, attending meetings every fortnight, and reporting information back to their class.

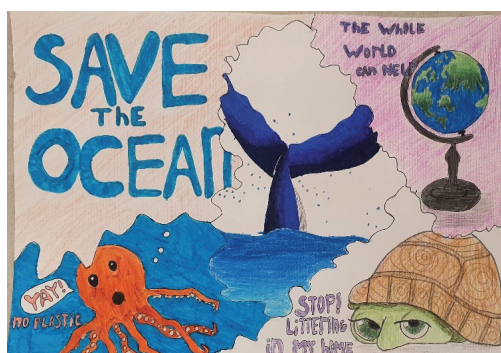

We have been very busy this year working towards the green flag for Biodiversity. Firstly, we conducted an Awareness Survey, to establish what prior knowledge we had on the topic. We also completed a Habitat Map of our school grounds to highlight areas where we are doing well, along with potential areas we can improve upon. We have introduced birdfeeders, in the hope of attracting more birds. We enjoy getting out and about and identifying plant and animal life on our school grounds.

We have designed a Biodiversity display board to increase awareness of the topic and keep everyone up to date with our work. Some of our classes have also participated in webinars on the topics of Woodlands and Wetlands, gaining great insight into these unique ecosystems. Our pupils took part in poster competitions for Climate Action Week as well as Irish Water, showcasing their wonderful creativity and passion for the environment.

We look forward to continuing to learn more, and hopefully make a positive impact on the world.

Pupils Account of New School

If you are wondering what our new school looks like inside, well, we have a new kitchen, sick bay, AstroTurf basketball court, drop-off zone, soft play area, a garden, polytunnel, bike rack and an Amphitheatre.

We have a magnificent view of Cusack Park and the river Fergus.

We have great teachers, great students a joyful principal and fantastic deputy principal.

We have a Green School committee, Active School committee, a choir and a band.

Patrick

We have an AstroTurf pitch, basketball court, outdoor amphitheater, drop off zone, a kitchen and a very large hall, all wonderful facilities we did not have in the old school. There is also a lift for the people who need it.

Our school is also fully solar powered, and we have a garden with a polytunnel for growing fruit and vegetables.

We are incredibly lucky to have all these amazing facilities.

Jessica

Our new and improved school has everything you need to teach students in a modern and practical way. We have some of the best facilities in Ireland in our school. Our sports facilities are exceptionally good and include an Astro turf, a halla and basketball court which is great because we can exercise and have fun. We also have had the opportunity to have a chef come to cook for us in our new kitchen.

We are delighted to say we are the first fully solar powered school in Ireland. We have a new drop off area that allows parents to drop and collect their children safely. We even have a greenhouse so students can learn how to grow fruit and vegetables.

Our school is welcoming and warm especially because Flor, our secretary, is one of the nicest around.

Paddy

School Prospectus 2024/25

The facilities at our new school are state of the art. We now have a vast variety of sports due to our new Astro turf as well as our new basketball court. Not to mention the classrooms are very spacious allowing students to have better concentration in different subjects.

The school supplies a happy environment for all of our students. Our school accommodates over six-hundred students and thirty of the finest teachers in County Clare. Mr. Glynn does an outstanding job at running the school, and on top of that the school provides laptops for pupils in 4th – 6th class and the opportunity to travel abroad for 6th class.

Seán

I believe that the CBS is an excellent school because of the joyful environment it creates. The new school has seen an upgrade in playing facilities, for example, a basketball court and an Astro turf which has been an amazing upgrade. We also have a canteen and kitchen which is used to teach easy recipes. Our classrooms are much bigger are brighter than before which makes learning and concentrating a lot easier for children. There is a bike shed which encourages children to cycle to school and we also have solar panels to create a healthier environment. We have a special soft play area for our infants to play on. We even have filtered tap water and grow fruit and veg outside in our greenhouse.

If you're looking for a good school, I would recommend the CBS Primary!

Lexi

In Recent years we have moved from the old school building into our new state of the art, eco-friendly school. In our previous building, we did not have some of the facilities we have now. For example, we have basketball court and an Astro turf which help with outdoor activities.

We have brand-new cooking facilities in the Halla and recently Chef Seamus has been coming to do demonstrations in the school with us pupils cooking ourselves for our Erasmus Knife and Fork project.

Eric

We have plenty of new facilities in our new school which include the drop-off zone. I think the drop-off zone is very helpful as in the old school everyone would be packed at the Fair Green trying to find a parking spot. Another facility we have is the Astro turf and basketball court. The astro turf has a high net so the ball can't go over and the basketball court allows us to play basketball for P.E. The Astro turf and basketball court are also used as yards for students at lunch. In the new school we have an elevator If you can't take the stairs. We even have a sensory room for special needs children and a soft play area for the infants. We also have an excellent kitchen where we sometime do baking and cooking. Every once in A while a chef comes in and teaches us how to cook or bake different food. Our new halla is twice the size of our old one, which helps a lot with P.E. and Christmas plays as well as with after school activities. Now each classroom has their own filtered water tap in our new school also.

Wiktoria

Firstly, we have lots more facilities in our new school, including an Astro-turf, a basketball court, a sensory room, a kitchen and much, much more!

Secondly, we have introduced lots of after-school activities such as, hurling, soccer, camogie, Gaelic football, badminton etc. We also have in-school activities like choir and band.

Maybe I should tell you about our amazing teachers and staff! We have Mr. Glynn and Mr. Curtin our terrific principal and deputy principal, and Flor, our great secretary and of course, our amazing students and class teachers!

We hope to see you here very soon at our beloved CBS school on new road, Ennis. Hope you enjoyed reading this!

Áobh

Have you ever wondered what the inside of the new CBS school looks like? Well, now's your chance!

We have amazing facilities like an Astro turf, a basketball court, a sports hall, kitchen (and chef to go with that), we even have a sensory room! We also have a soft play area for the younger students. Last but not least we have a fantastic library.

We are also one of the first schools in Ireland to be fully solar powered

You might be wondering where is CBS? It is in the most wonderful spot in all of Ennis, next to the glorious river Fergus. If you are here on a championship Sunday you will be able to hear the fans singing 'My Lovely Rose of Clare' from Cusack Park. Would you like to meet the pleasant students of CBS they are kind, caring, joyful and also our

outstanding staff! For our secretary, principal Mr. Glynn, deputy principal Mr. Curtin and our dedicated teachers will all be there to assist you.

Michael

Our school provides fantastic education and good fun! CBS pupils do amazing things such as gardening and a chef also comes in to cook with us! We also have after school sports and during school sports such as hurling, soccer, basketball, swimming, and badminton! Not only do we have sports but we also have other activities like yoga, choir, band, German, French and coding.

You will get a chance to meet the amazing staff and the splendid pupils. There has been a change in our school...we got solar panels, CBS is the first school in Ennis to get solar panels!

Come to CBS Ennis it is worth the experience!

Hanna

CBS is located in the heart of Ennis.

We have excellent sports facilities such as our very own Astro turf and basketball court! We also have our very own multipurpose sports hall. In the summer if the weather is good, we even go outside to the Fair green! We do so many fun activities such as Camogie/Hurling, Basketball, Gaelic Football, Basketball, Swimming, Badminton, Yoga, Aerobics and so much more!

We have wonderful staff, such as our amazing Principal Mr. Glynn and our amazing deputy principal Mr. Curtin. The teachers are very kind and you can always go to them if you need anything.

We also do cooking and baking in the kitchen with a chef called Séamus. Séamus has taught us all how to create some amazing food!

We play hurling/camogie in school with a coach called Gerry. Whether you can play hurling/camogie or not, it is always fun to give it a go!

We also do school swimming at the Ennis swimming pool. We usually walk over which is a good way to get fresh air. They have three levels so whether you're a beginner or you've swam before you can go.

Orla

First let me tell you about the breath-taking facilities such as the basketball court, the Astro turf and the halla which are used for P.E. Also, the classrooms are exceptional, plus we have a library, a kitchen and even a drop-off zone!

Next, I will talk about the marvellous teachers that can sort out

everything that happens in the yard or classroom. If you forget your lunch or if you are stuck on work, they will help you figure it out. Finally, I will tell you about the outstanding children in the school, we are as quiet as mice and finish our work ASAP!
